xi. Neuropsychological and Psychological Testing.....	121
1. CNS Assessment.....	122
2. Reporting Testing Codes.....	125
3. Computerized Testing.....	144
4. Simultaneous Codes.....	155
5. Two Testing Codes.....	160
6. Other Testing Codes.....	171
7. Telehealth Services.....	178
xii. Health & Behavior Assessment and Management.....	185
1. Assessment.....	187
2. Intervention.....	190
xiii. Team Conference Codes.....	196
xiv. Alternative Codes.....	199
xv. Telephone Codes.....	201
xvi. New Codes: Preventative Health.....	204
xvii. Evaluation and Management.....	208
xviii. Model System.....	213
1. Rationale.....	215
2. Models.....	216
xix. Challenges.....	221
c. Diagnosing.....	222
d. Medical Necessity.....	230
e. Documentation.....	234
f. Time.....	257
g. Location of Service.....	273
h. Technicians.....	275
i. Supervision.....	288
j. Correct Coding Initiative.....	293
VI. Part II: Economics.....	295

a. Reimbursement.....	296
b. Coverage and Payment.....	343
c. Fraud and Abuse.....	364
d. Audit.....	381
e. Self-Auditing and Monitoring.....	399
VII. Part III: Challenges & Approaches.....	410
a. National Provider Identification Number.....	411
b. CMS National Directive.....	412
c. National Correct Coding Initiative.....	417
d. Potential Solutions to Current Problems.....	418
e. The Future.....	423
VIII. Physician Quality Reporting Initiative.....	424
a. Pay for Performance Status.....	434
b. Medicare Changes.....	442
IX. General Medical Education.....	445
X. Medically Unlikely Edits.....	449
XI. Health Care Reform.....	454
a. Integrating Demographic & Economic Pattern Analysis with Practice.....	458
b. The Future of CPT.....	466
c. Initiatives.....	467
d. Economic Concerns.....	470
e. New Mandates.....	472
f. Likely Outcomes & Timetable.....	473
g. History of Health Care Reform.....	477
XII. Health Care Bill.....	481
a. Specifics.....	483
b. Preventive Services.....	487
c. Misvalued Services.....	489
d. Integrative Health Care.....	490
XIII. Health Care Reform Process.....	492
a. Timetable.....	494

b.	Summary.....	495
c.	Changes in Affordable Health Care Act.....	497
d.	Executive Summary.....	500
e.	Areas of Potential Interest.....	503
f.	Benefits Package.....	504
XIV.	Post-Health Care Bill.....	506
i.	Accountable Care Organization.....	508
ii.	Electronic Medical Record.....	509
b.	Paying for Health Care Bill.....	513
i.	Present Federal Trends.....	515
ii.	Final Outcome.....	516
c.	Timetable.....	518
d.	Mega Trends.....	520
XV.	Past and Future.....	521
XVI.	Final Summary.....	522
XVII.	Personal Involvement.....	529
a.	Current Activites.....	530
XVIII.	Resources.....	534
XIX.	Contact Information.....	536
XX.	Emerging Patterns.....	539
